

Zvonek na DIN lištu, Un=230V AC

Typ ASBELL230
Catalog No. 167393

Technická data podle ETIM 6.0

Optic and acoustic signalling equipment (EG000035) / Alarm signal (EC000843)		
Electric engineering, automation, process control engineering / Electrical installation, device / Signaling technique / Alarm signal (ecl@ss8.1-27-14-32-23 [ADI351004])		
Diameter of bell shell	mm	0
Colour housing		Grey
Material housing		Plastic
Loudness	dB	75
Nominal voltage	V	230
Degree of protection (IP)		IP20
Type of current		AC
Electricity consumption	A	0
Type of tone		Fast beat
Mounting method		Surface mounted (plaster)
Built-in transformer		No
